

JAYNE HYSEN TRIO

Bio

Local jazz pianist, Jayne Hysen, will sing and play choice selections transcribed from DIANA KRALL's albums including ALL FOR YOU, LOVE SCENES and WHEN I LOOK IN YOUR EYES. Over the past 25 years, Jayne has been developing her jazz skills and Diana Krall's piano stylings and sultry voice have been a huge inspiration. She currently plays in the John Griffiths Quartet and the Prime Time Big Band. Enterprising young jazz musician, Peter Karle, will play jazz guitar. Earlier this year, his group performed a Miles Davis Tribute event for a packed house at Aeolian Hall. Also in the band is the well-known local jazz star, Peter Hysen on stand-up bass. Pete has been performing and arranging jazz for several decades. He plays bass, trombone and tuba locally and in Toronto, where he has recorded with Kirk MacDonald, Alex Dean, Bob Rice. Most recently he has played on a video soundtrack which has sold 3 million copies. Jayne is thrilled to have the two Peter's on board for this celebration of the music of Diana Krall. While you will recognize many of Diana's nuances during this performance, the Jayne Hysen Trio will provide their own musical flavour to enhance your listening pleasure. Diana's Birthday is on November 16th, so join us in celebrating early, on November 15th!!!!"
